Hello Todd,

I received the request below; for a dinner hosted at the Governor's House to be donated as a prize for the Senior Safe Graduation Party.

We haven't awarded a prize for a dinner (meal) hosted at the Governor's House for any groups that I'm aware of. For other donations for functions I remember a dinner or lunch with the First Spouse being donated but at a different venue. I assume that you're not interested in donating a dinner at the House or a dinner with *you* at a restaurant... but please let me know if you are.

Kari, since they referred to the Governor I figured I should run this by you also.

Thank you,
Erika

Good afternoon. I keep forgetting that today isn't Monday.....

Per our discussion yesterday, here is my official request for you to run by the Governor or appropriate parties. At a recent Senior Safe Graduation Party meeting, one parent mentioned the possibility of offering a dinner hosted (for 4, 6 or whatever works) at the Governor's mansion as a prize. I'm not sure whether you volunteered on this committee last year but I'm sure you're aware of the main purpose which is to celebrate graduation in a safe environment. Prizes are given throughout the evening with the grand prize of \$2007 being announced at 2:07 am. I mentioned that I could run the suggestion past you to see if it would be something that would even be considered by the Administration.

Thanks for your help!
Sheryl ;)
