Hello,

I'll have some information ready for Faye when she returns.

Todd, here is some information on NEA for Faye. I don't know much about the group, but there is always the internet! I wonder if the Alaska State Library (across the street in the State Office Building) would have more information—they have a historical library. Faye might try asking the librarian over there. Hope this helps! Erika, maybe you can print this out for Faye, she was wondering about the education association in Alaska. Thanks, Kari.
