Alaska

Hello Everyone,

If you have a minute please proof this for me. I'm not 100% on the grey area... Could be replaced with *Join us in preserving a piece of our Alaskan Heritage. Join us in preserving a treasured part of our Alaskan Heritage...* *Join us in preserving our Alaska Governor's House.... Invaluable part of our Alaskan Heritage.* I prefer to have the minimal amount of information on an invite, so it's easy to focus on the main points. Your input is appreciated, and if I don't hear back I'll just use this draft.

As an F.Y.I. this year's theme for the National Preservation Month is "Making Preservation Work". There's a really nice web site on this annual event, with quite a bit of helpful information.
