### MESSAGE:

Hello Governor! I was born here in Alaska (Homer) and am currently residing in Anchorage. I'm a local author who recently released my first book. It's an autobiography (in first person) that deals with Aspergers / Autism and Turner Syndrome.

If you're interested in knowing more / getting a copy head over to

[www.Xlibris.com/Bookstore](http://www.Xlibris.com/Bookstore)

and search for "XO" or my name, Ashley Whitaker

It mentions allot of topics relevant today. I'm proud of my home state ... I recently found out about your pregnancy and wish you the best with that. I know that with Alaska being known for the high crime rates and abuse against women, it's refreshing to have a female Governor taking the reins.

Cheers!
