MESSAGE:

Congratulations on the birth of you son Trig!!! How wonderful that your family welcomed him with open arms. Your family statement was beautiful and perhaps will help others who find out their baby has Down Syndrome accept the treasure that God has given them. My daughter Colleen has Trisomy 21 and she brings us immense joy each and every day of her life. She is now 20 months old thanks for a gifted heart surgeon who repaired her heart when she was 3 months old. Perhaps one day she will meet Trig! We wish you much happiness and few sleepless nights.
