MESSAGE:

Dear Governor, and Mr. Palin,

I was so happy to hear of your very special 5th child!! Our 5th child, a son, was born in Soldotna, 21 years ago, with many severe special needs! He continues to bring us unspeakable joy, and is God's most precious blessing to us. 21 years ago, Anchorage did not know what to do with Jordan, and neither did Seattle!! Our choices ended up being Phoenix, or England! 5 years later, we ended up having to leave our most beloved Alaska, since the medical trips were tearing our family apart. Today, we still consider Alaska, home. All our boys (5) were born there, and now 2 live in Wasilla. All our boys adore their brother, Jordan, and Jordan adores them. They are great men, because of their brother, Jordan. (Buddy to them) We come back as often as we can, and would love to move back, if we knew that Jordan could be well cared for there.

We applaud you!! Thanks you for welcoming your very precious Trig. Our USA needs more Trigs, and Jordans!! Thanks you for not considering abortion!! You are blessed, we are blessed, we will be praying for you, and your family. Nancy Schaafsma
