I hear ya...

I did hear that Torgerson resigned fairly recently. This gives an opportunity for her to make a strong appointment in that area.

I truly hope changes are being made in dot,well see
how long it takes....

It's also hypocritical for her to keep attacking the ethical lapses of legislators while she is living in a glass house. She has kept all the Murkowski-appointed DOT people (except commissioner), including in Southeast Alaska, ignoring their conflicts of interest and misrepresentation of the facts.
