### MESSAGE:

Congratulations on the birth of your beautiful new son Trig! I am sure he is beautiful! As the mother of a lovely, 20 year old young lady who has "special challenges" know that she has had a wonderful life, and is a contributing member of her community. She looks forward to getting a job in the next year and then getting her own apartment. Yes, there are challenges, but the joy far outweighs them. I look forward to hearing about little Trig's wonderful life.

Blessings to you and your family,

Cathy Murahashi
