Hi Todd!

Redacted

How did things go on the trip? For the mileage and receipts (gas, ferry tkts, etc...) you can just send them to me via the state mail from the Anch. office. *Erika at the Governor's House (Juneau)* should be enough info. to get it here. Since this was Bristol's trip to move back to Anch/Wasilla the state will cover her trip as well.

Kari had mentioned in the email that July would be when they'd work on the Governor's office at the Cap. Bldg. I'll send a schedule for the House window projects- it looks like the last 2 weeks of July they will be working on the 3rd floor windows.

Linda Perez is working on getting the plumbing started sooner then what they are currently projecting- which is August. We had both been under the impression that things would be **a lot sooner** then that. Since the project is over \$100,000 it falls under a formal bidding process which is very time consuming. She's doing what she can to speed things up since we both believe it to be an emergency situation that should be done as soon as possible- not August.

We received a \$500 donation from Premera Blue Cross via Jerry Reinwand. He sent this note (below) with the check. I talked to Linda and she does not see any problem with the Foundation accepting the check since it's for the House. Unless you or the Governor know of any other reason for not accepting it, I will have it deposited along with the rest of the checks. I don't see a problem with it either, and think that Jerry was just letting you know that it would be okay with him if you didn't feel comfortable accepting the donation. He did contribute to last year's fundraiser.

Memorandum

To: Kari Spencer

From: Jerry Reinwand

Date: May 21, 2007

Kari, per our recent phone discussion, I am enclosing a check for the Governor's Mansion Foundation from Premera Blue Cross.

If either the Governor or Todd feels uncomfortable accepting a check from Premera Blue Cross, please let me know and I will return the check.

However, Premera Blue Cross has contributed to the Mansion Foundation in the past when the fundraising effort was spearheaded by Nancy Murkowski, so there is precedent for Premera to make this type of contribution. No questions have ever been raised about the Premera contributions in the past.

Best Regards,

I think that's it for now!

Congratulations on Track's graduation from High School!! Another parenting milestone! ☺
