Janice,

Can you check w/Mike Tibbles on this? I faxed materials down on this from Todd and Polar Express yesterday. I also faxed to Russ, but realized today that he is still on vacation. I believe the deadline on this is tomorrow so any action must be taken very soon.

The letter will need fine tuning.

Thanks,

Kris

Hi Kris,

Attached, please find the draft letter written by Tara at the request of Commissioner Notti regarding the extension request for Polar Express.

Thanks,

Lynette
