Todd – I discussed the attached letter/request yesterday w/Kris. This is kind of a different request and wanted to run this by you first. The family will not be at the Juneau Governor's House when requested on Dec. 28. I do not feel that we would want to open it up for overnight as it is not a Bed/Breakfast – but will leave this decision up to you. We need to also remember that as the first family is not available the house will be torn up to try to get the plumbing finished up before January. Thanks, Janice

Dear Governor Palin,

As you may know, Dr. Dan Larson and his wife, Susan, of Wasilla, are generous supporters of the Wasilla Warriors. They donate countless hours of volunteer time as well as sponsor and donate to the various sports teams. The Warrior boy's and girl's basketball teams are heading to Juneau for the annual Capital Classic Basketball Tournament on December 27, 28 and 29, 2007. As usual, Doc and Sue will be accompanying the team, as will Susan's elderly mother, who will be coming for the holidays from her home in Wisconsin.

On December 28, 2007, Susan turns the "big 5-0" and we want to remember her in a way that she will never forget. She is the first one to do that for all the rest of us who have turned such a ripe old age, and mostly her remembrances are humorously disrespectful at best. Since she has attended the Capital Classic for years and it always falls on her birthday, we have not recently been able to honor her birthday in a reciprocal fashion! And now with the onset of her "sunset years", we would love it to be a memorable occasion.

Is there any way you would be able or willing to have them stay overnight at the Governor's mansion during their time in Juneau? They are unaware that I am asking this, although they have daydreamed about what a thrill it would be. Additionally, it would be a wonderfully fun surprise for Susan's birthday. I have worked as Dr. Dan's Executive Assistant since 1994 at his clinic in Wasilla, and they are not only my bosses, but true friends. Our community would suffer without their efforts and generosity. Thanks for all you do for this great state.

Sincerely,

  
Leslie Schwaderer
