MESSAGE:

Why isn't there a topic for "fan mail"? :)

Congratulations on your baby-to-be! My family and I are really excited for you and wish you and your family all the best. I recently endured the sorrow of a miscarriage, and I thank God every day for the two healthy children I have. I love them all the more for the sake of the little one I lost. I had thought to give up on trying to have another baby, but you have reminded me that it is better to just go on and live your life without fear of "what-ifs".

My whole family (mostly Alaskans) are so proud of you and Todd and the great example that you set, both in your political and private life. Whhen we travel outside, we are always talking about how proud we are of our governonr, and what great, down-to-earth people you and Todd are. Alaska is lucky to have you as our Governonr.
