MESSAGE:

Hi (Auntie) Sarah,

This is Kelli Wallona, Diana Palin-McLean's niece and I'm a junior at Manokotak School. I'm staying here with Dana and Larry Bartman. At school I would hear Dana talking to some of the seniors, saying "don't worry about the small things first, find your class a good speaker first." I know it's not for another year, but ever since people here have been talking about having a good speaker at their graduation and how it's important, I always wanted someone special, to make our graduation memorable, and worth while. As I would think about speakers you always came to my mind first, and I knew it would be perfect. So I thought I'd ask and see if you would be able to be the speaker at our graduation next year here at Manokotak. I know it's a lot to ask with your busy schedule and brand new baby (congratulations by the way) but I thought I'd give it a try anyway even though you probably will be to busy. Well thanks for your time and I hope you consider thinking about it.

Sincerely,

Kelli Wallona
