Hi Todd--right now we don't have a schedule for June, so this can sure work if you and the Governor want it to. I will get it into scheduling so she/you can look at the whole month before you confirm anything. Kari.

Note: forwarded message attached.

Kari,

I'm not sure what the Governors schedule is for the 26th, I think she would like to go depending on her schedule.

call if you have any questions.

Thanks Todd
