Hello Rhonda,

Please let me know what the itinerary is and what I need to take care of; if you already have your TA filled out I can just duplicate your information for Todd's TA. Sounds like I need to take care of this right away.

Thanks,

Erika

Great. I'm so glad there's a flight available on Saturday.

There were seven seats left on Frontier Flying Service out of Anchorage early Friday afternoon so you'll need to have yours booked ASAP.

Thanks,

Rhonda

Rhonda,

Called your office this a.m. Now I'm a step further. I've found two seats on a Frontier Charter that leaves Galena at 9:30 a.m. on Saturday morning. I know you folks have schedules that get a bit complex and understand if I'm too late. Please know that we would welcome either or both of you. The Yukon River broke here in Galena is and running full blast today. Jim

Dear Rhonda,

I felt very bad that connections prevent you folks from this visit. I can arrange transport to Fairbanks via private pilot but I'm not sure what your comfort zone is in that regard. We've a huge number of students headed home through this week. Of course there are graduates and families loading the planes on Saturday. If you're interested in private pilot passage I can arrange it. Good pilot. Thanks Jim

Dear Rhonda,

Just an up-date on Sidney Huntington. He's still with us and still "sharp as a tack". He continues to have small seizures but has been honored by the visits from many of his grand children. He also received the citation I believe from the Governor delivered by the state troopers. It meant a great deal to him and I hope you convey our appreciation to her. I'll keep you posted. Thank you from Galena. Sincerely, Jim Smith
