**Subject:** TA, NGA, Piper's skates, Interview

Hi Todd,

Willow said that you're in Soldotna...? Hope you enjoyed your time in D.C. at the NGA meeting! I'm interested to hear how it went and what your thoughts are after listening to the speakers. Seems like it would be hard to go from this intense- physically taxing snowmobile race- to sitting in a room listening to conference speakers. Hopefully they were interesting enough to sit through or you had enough coffee.

When you get a chance could you let me know what flight you traveled on and if you have any expenses (receipts) that you need to be reimbursed for. Your TAs end when you return to Anchorage, so that's when I start to bother you about getting boarding passes, receipts, etc... to me. You could drop them off in an envelope at **any** of the Governor's offices, and just address it: *Erika Fagerstrom- Governor's House, Juneau*, and the state mail system will get it to me.

You should have an email from Steve Landon, from *Winning Edge* magazine, with interview questions that I forwarded to you. If you want to receive his emails, I think you need to check your junk mail filter, as he has the correct address.

Piper has ice skating next Tuesday, 3/6 during school. If at all possible could you send her skates and helmet down to Juneau? I wasn't sure if the Governor was stopping at home this weekend, if that's the case she could bring them back on Sunday. They have rentals at the rink, so there's a back up plan.

It sounds like Sally is planning on staying in Juneau until Monday, since Piper and Willow will be here. Just as a reminder- I have two gals in there early 20's that have had security clearance and are available to stay at the House (over a weekend or whatever) when both of you are planning to be out of town.

That's all for now, please don't hesitate to contact me if you need anything!

Thanks,  
Erika
