J- did california just request this- for the weekend? It's too bad they only gave one week notice.

Let me look at the port visit - we have the busy press conf that day and travel to Juneau.

Todd gave an open hse date to Erika awhile back-I'll chk with him on what they already worked out for that event.

We'll do that Gov's challenge- I'll ask around the Anchorage office for the info unless you can send it again to them. I dont have the info. Is it something you could also coordinate with HESS Commish Jackson? We're looking for some kind of fitness-type event to highlight need for active lifestyle- maybe HESS (Anna Kim would know) would assist on whatever the event is. Talis and other could participate too? Depending on what it is... Thanks!

Subject: Scheduling Requests

Governor and Todd --

You have both been included in an invitation from Bill Sheffield to visit the Port of Anchorage on September 11 (Tuesday) from 9:00 a.m. – 2:00 p.m. as Horizon and TOTE will host their Annual Food Drive Bar-B-Que. A donation of \$1M in gravel will also take place during this time. This will give you first hand the opportunity for tour and to meet with majority of people who make the Port operate. In this regards we have also received a phone call from Paul Fuhs and Scott Heyworth to get your confirmation. Scott said that this was discussed with the Governor previously and that you agreed to make it. In a previous request from Bill Sheffield – Commissioner von Scheben toured the Port of Anchorage in July.

The California Republican party is inviting the Governor to be the featured speaker at their state convention. September 7 – 9, 2007. They are asking that the speech take place at one of the meal functions which draws the largest attendance. Dinner Fri., Sat., Lunch Saturday, Sunday General Session. This is held at the Renaissance Esmeralda Resort & spa in Indian Wells, California.

A letter had come in earlier (in your reading file) asking for the Governor and First Gentleman to participate in the Governor and Spouses Challenge beginning Sept. 15 – Jan. 31, 2008. Will you both be participating in this request?

Even though September is soon upon us, we need to decide a date in December for the Juneau Open House. This needs to be done this far in advance for preparation purposes. Last years date was December 11. May we suggest December 10 which is a Monday and approximately 2 weeks before Christmas.

Rep. Peggy Wilson and Rep. Bill Thomas met with Russ Kelly today. Russ just reported that the meeting went well and they were both very happy.

Thanks, Janice
