Todd,

I checked in Kris's, the Governor's and around my couch and didn't see it. I ran into Bob Cockrell and he said you were in the car with Sarah and wondered if it might be there. He said it was parked at the airport and can check if you need him to.

F

Subject: Address book

I've misplaced my pocket daytimer address book, maybe in the Anchorage office. If anyone comes across my black daytimer please let me know.

Thanks
