Commissioner Monegan,

I saw an email from Rob Cox to psea members saying ads are eminent. They will be placed in every newspaper statewide with the exception of the ADN. The ads call for Gov Palin to provide 150 more troopers and apfo positions. Also, they encourage members to encourage their friends and family to call the governor's office.

As you know, Gov Palin increased the DPS budget and increased Trooper positions; the Legislature has reduced or eliminated increments. Also, as you know, Gov Palin remains committed to public safety in Alaska. In addition to increasing positions, she has introduced various legislation including the omnibus crime bill.
