Joe, In case it wasn't clear, Tom was referring to the ANCSA CEO's.

The three members appreciate the offer, are planning on attending but they are catching the flight to Anch tonight so they will leave on time for that flight. Tom

Meg:

Sorry I didn't review the cc list, but the recommendation that has been accepted by the Gov is to have the ANCSEA CEOs, TC Alaska, and State gas team members (not consultants, though) come over at 5:30 for dinner.

Thanks for everyone's flexibility and quick set-up - and a Copper River King, too!

Thanks,

My recommendation is that we invite the ancsa folks, TC, and state gas team members. My rough count is 22 ppl. We could do it tonight at 5:30 or 6:00

Tonight's great for Todd and me - now these type of events can be quite informal and still be successful. There's a Costco in Juneau, if you know what I mean. And my family is quite capable of setting out food and cleaning up afterwards.

Great idea! Please all decide what is best for AGIA. But if time doesn't matter tonight is better for me. I travel to Anch at noon tomorrow to work on the PT decision. Again decide what is best for AGIA. Tom

Cool! We should cook it for whomever needs to have that get-together/reception opportunity tonight, tomorrow, or wednesday. I'll let AGIA folks know the fish is a good opportunity to have folks over for informal gasoline chat.
