**Subject:** Fw: Invite to Graduation 6/7

Todd,

CH2M HILL and Southwest Alaska Vocational an Education Center (SAVEC) are inviting you to attend the graduation of the Electrical training class on Saturday, June 7th.. The ceremony starts at 5pm. at the SAVEC campus located on the King Salmon Air Force Base.

That's the jest of the request from

Trevor Ohara. I forwarded the email as it has other pertinent information that you should know; it's attached below. Let me know if you have any questions and/or if you'd like to attend.

Thanks!

Erika

**Subject:** Invite to Graduation

Erika, please pass this along to Todd Palin. We understand if he cannot attend but would definitely welcome him to see the vocational training that is happening in SW Alaska.

CH2M HILL and Southwest Alaska Vocational an Education Center (SAVEC) would like to extend an invitation to join us for the graduation of the Electrical training class on Saturday, 6/7. The ceremony will begin at 5 pm at the SAVEC campus located on the King Salmon Air Force Base.

Our current program is similar to the previous class we taught in March/April. CH2M HILL has again supplied instructors from our North Slope jobsite and we will be extending offers to all students who successfully complete this three week course. We currently have 19 students participating and they represent a broad portion of Southwest Alaska. There are also two individuals from Southeast attending our Electrical training.

This graduation will be an occasion to celebrate the many partnerships that have made it possible to train and employ these Alaskan residents. On that same note, we would like to see what you can bring to the table, literally. There will be dinner following the brief graduation ceremony and if you are interested in bringing a dish to make this a potluck setting we will celebrate together.

We would also like to notify those who are flying into King Salmon that Pen Air and Alaska Airlines have multiple flights that are conducive to making this a daytrip.

Please RSVP to Annette Wilson at [Annette@savec.org](mailto:Annette@savec.org) if you plan to attend. Shuttle service will be provided from the airport to SAVEC. Hope to see you here.

Trevor O'Hara
