Linda-we'll be packed up and out on time. Thanks for the reminder!

Erika

Hi Erika,

With the Governor returning to Juneau on Friday, just a reminder that unless there is an event taking place all staff, plumbers, general services maintenance personnel, etc., need to leave the House by 4:30 each day. Any other exception that requires you or staff to be there past 4:30 needs to be approved by me or Mike Nizich.

Thanks

Linda
