MESSAGE:

Governor,

Hi, My name is Kym and I live in Chandler, AZ, but I heard about the birth of your son and wanted to tell you Congratulations! :) We have 5 children and our 4th has Down syndrome. He has been such a special edition to our family. He brings joy and laughter into our lives daily and is such a bundle of energy that he keeps our house "alive"! He has always done things at his own pace, which had usually been a little slower than the average child, but now at 10 he is in fast forward and between basketball, gymnastics, running around, wanting to cook, clean, play, dance, go to school, read, (ANYTHING he sees his siblings or fiends do) he never sits still. There is nothing "slow" about this great little boy. :) So, when I tell you Congratulations, I tell you from experience because you have just embarked on a wonderful rollercoaster ride of ups and downs that is amazing and exhilarating! :)

I would say God bless, but I can see he already has.

Sincerely,

Kym

PS I belong to a great on-line yahoogroup called upsndowns. It has really helped me over the years when I have had questions, concerns, or just want to brag on my son. It is a list of great parents who understand some of the unique experiences of raising a child with special needs. I love it. Just wanted to let you know in case you wanted to check it out :) Take care.
