Sounds like fun but I'll have to pass

Thanks Todd

Subject: REQUEST: Boys & Girls Clubs Staff Summer Training Meeting Wednesday,  
May 21st ANC

Hi Todd,

Are you interested in attending the Boys & Girls Clubs summer training for their staff Wednesday, May 21st. There will be a team-spirit contest where departments will compete in a "Pimp my Tricycle" competition where the winner will be announced.

Here's an excerpt from the request:

"We respectfully request the First Gentleman, well-known as a snowmachine enthusiast, to ride in one of these trikes and give a "thanks for all you do for Alaska's kids..." brief statement. It will be a very lighthearted moment, meant staff-appreciation and a "rah rah", however we would love to invite media to see the First Gentleman giving kudos to front-line youth workers facing a very busy summer."

What do you think?

Thanks,

Erika

REQUEST:

Hi Erika,

Per our phone conversation, we would like to schedule a very brief (and fun!) appearance for the First Gentleman. We are having a statewide summer training for front-line Boys & Girls Clubs staff in Anchorage next week. On the morning of Thursday, May 22, we will be having a team-spirit contest - and thought it would be a kick to have Mr. Palin participate. The short story is that we have departments who have been competing in a "Pimp my Tricycle" competition (highly inappropriate name, but its meant for adult, fun team-building and it is a take off of the MTV show). At the general session on Thursday, the trike's will be brought in and winner announced.

We respectfully request the First Gentleman, well-known as a snowmachine enthusiast, to ride in one of these trikes and give a "thanks for all you do for Alaska's kids..." brief statement. It will be a very lighthearted moment, meant staff-appreciation and a "rah rah", however we would love to invite media to see the First Gentleman giving kudos to front-line youth workers facing a very busy summer!

Thanks for forwarding our request --

Best regards,

Noelle

P.S. We will have staff traveling from Barrow, Kotzebue, Metlakatla and many other rural Clubhouse communities to attend the training!
