Janice,

I will attend with Cora

Thanks Todd

Subject: Alaska Young Fishermen's Summit - Opening Reception

Todd – The Governor received an invite from the Alaska Young Fishermen's Summit – Opening Reception for Monday, December 10, 2007 @ 7:00 p.m. @ the ANC Hilton Hotel. They would like the Governor to address the group that evening. They would also like to host Cora Crome.

This second event will bring together young fishermen from around the state to network and learn how to be successful in Alaska's fishing industry. The groups will sponsor approximately 75 young fishermen to attend.

The Governor has asked that if you're available that you and Cora attend on her behalf. Frank has spoken to the Governor on this event also. It is Eric Olsen's Event and there will be lots of fishermen present.
