Todd,

I'm so glad you were able to talk with him on his birthday. Hope he's doing better. I think it's important that we go to Galena -- and hopefully we'll get to see Sydney.

I've never met him. So it would be quite a privilege.

Thanks,

Rhonda

Rhonda,

I'll plan on traveling to Galena with you on the 16th, we'll work on details tomorrow.

We called Sidney Huntington yesterday, it was his birthday.

Thanks Todd
