Subject: TAs and Marine Exchange...

Todd,

Tom Lopez will take care of purchasing your airline tickets while I'm gone. His cell 321-2364

Janice said that you and Mike Nizich would be visiting the Marine Exchange Facility. What date would work for you? I copied the request at the bottom of this email.

Have you decided on a date for the Spouses Luncheon? As soon as I get back to Jnu. I can come in for an hour and have them mailed out or to get them out sooner- I can send out email invites followed by a hard copy invitation.

You can call me on my cell if that's easier, we're just in Seattle running errands today.

Thanks,

Erika

EMAIL REQUEST:

Captain Ed Page, USCG (Ret), is requesting visit the Marine Exchange of Alaska's Vessel Tracking Operations Control Center to see their Automatic Identification System (AIS) and satellite's capacity to provide rescuers, shippers, and

government agencies valuable information. They would like for her to see firsthand how they are aiding safe, secure, efficient and environmentally sound maritime
