Todd - Just an FYI. We do not have the Governor scheduled to speak in Valdez in May. This was regretted by email last week. Janice

MESSAGE:

Dear Governor Palin,

My name is Kim Mackey and I just heard on the news about your new son. I wish you all the joy and happiness in the world with him. I know that you will be doing (or have already done) research on Down Syndrome Children. My own son, Patrick, is a 17 year old young man with Down Syndrome here in Valdez and he is currently a junior at Valdez High School. We have heard that you will be speaking a graduation here in May and we hope to see you there.

I hope your new son brings you as much joy as Patrick has brought to our family.

regards, Kim Mackey
