Subject: Case Study on Suicide

Governor,

One of my goals in coming to work for you was to keep you in touch with the people of Rural Alaska – in meaningful ways.

I hope this report on Akiak's problems will give you some insight into Alaska's suicide epidemic. I know it's an issue close to your heart.

My hope is to pass on some of this information to some non-profits, to see if they might help Akiak finish its playground and get some additional resources for mental health.

Thanks,

Rhonda
