Kris – The Memorial Day Events:

9<sup>th</sup> and I – was regretted.

Ft. Richardson – was regretted.

Gen. Campbell and Jerry Beale will be attending these events on behalf of Governor. I have asked that the draft agenda be corrected to state Jerry Beale will be reading proclamation on the 9<sup>th</sup> and I event. Wreath will also be presented at this event.

\*Note: McHugh Pierre has confirmed all events. They have copies of Proclamation and Wreaths to present.

The Only Event listed on GOV calendar is the Wasilla Wall – Listed as FYI – I have not contacted Laura McCammon on this until I can give her a representative.

Blackhawk – was regretted for Sunday, 05.25.08

Thanks, Janice
