Awesome!

Here's some specifics:

FYI studded tire and CON repeal are in (H) FIN

The other version of studded tire is in Ellis' (S) L&C--can't ding Stedman on that.

However, of the 108 bills stalled in (S) FIN, over 10% are gov's bills! Also, biz license has been in (S) FIN since May 2007--almost 1 year!

Examples of bills stalled in (S) FIN: biz license, omnibus crime bill, increase penalties for selling alcohol to minors, crime lab bond bill, salary increase for exempt employees,

Eddie's loving that Bert's acting like a baby and will try to get him on his show. He said that the biz license fees and the studded tire tax eliminations are things the vocal Ron Paul folks want to see eliminated and he's calling some of those folks to get them fired up on this too.

Hopefully Bert goes on his show.

Sounds like Bob n Mark are fired up too.
