Hi Todd,

Thanks for the info. I was looking forward to seeing her, hopefully another trip will work out. What a great experience for your family to be out fishing.

Linda Perez called the other day about dropping the "Assistant" part off of my title but that I would still continue with my previous duties. I totally understand- and wanted to communicate that I assume that I would still process things and do what needs to be done- but that you don't need a person designated as your assistant. My number one goal is to do things how you and the Governor see fit, so please let me know if I missed something in what was communicated in regards to the change.

Thanks,

Erika

Willow will not be traveling to Juneau on Monday, she's
here with me fishing.

Thanks Todd
