Todd,

This is the only FY 06 appropriation we could find regarding Alaska Power and Telephone. It's for 36.0 and it's all GF.

Ch 82 SLA 06 appropriates a designated grant thru DCCED to Whale Pass Community Association for Alaska Power and Telephone Line Extension in the amount of \$36,000 general funds. The project was added to the bill by legislature.

Hi Karen,

I was wondering if you could find out if there was money in the capital budget any time in the last four years for Alaska Power and Telephone Company and what the funding source was.

Thanks, Lynne
