Kris,

I heard a little of what went on today regarding dad and my involvement in whatever. It reminds me when Tib told Emil not to hire Jerry Ward because Todd had concerns etc.. I guess I'm easy to blame it on even though theirs others that want the same change

Please remind everybody that dad was offered to serve on an advisory committee, but he's not going to accept. For Miller to accuse my dad or me for any wrong doing is unbelievable and another reason for a needed change in AIDEA.
