I will respond to this and then I won't be writing again.

My email to you was entitled CORRECTIONS and had to do with your unconditional support of your friend, Joe Schmidt. Your response addresses the DPA budget.

I won't respond as to the DPS budget numbers or Corrections for that matter. My email was clearly ALL about your response and how bad it looks. You know that. Your response, or lack thereof, only showed me that what everyone is now talking about is exactly true. You don't care what the residents of this State think. You don't care what the employees of the State think or feel. It's all about you and your friends. I am so disappointed.

Georgette,

Thanks for the "congrats"! Trig is amazing.

Re: the budget, not sure where you got the information or numbers you mention in your email, but we invite you to look at the actual DPS budget and the growth you'll see there. For further clarification on the numbers you seem to be referring to, feel free to contact my special assistant on DPS budget, Mr. Randy Ruaro (he's cc'd in this email).

Thank you for contacting me, have a good weekend.

MESSAGE:  
Governor Palin,

I have long supported you and have absolutely been in love with how you conduct yourself and conduct business for our State. I have been behind your husband in his desire to go back to the Slope, stating it's no one's business but yours and his. I have applauded you, flying out to be at your son's graduation (my son serves in the U. S. Navy). I have laughed and cried, and more recently read and viewed the pictures of your newborn son, adoring how precious he is and knowing he's being born into a loving and strong family.

Having said all of that, Governor, this time you have missed the mark by a mile with your "unconditional support" of Joe Schmidt. All the good things you've done...have been undone in one fell swoop in my eyes. Everyone knows you went to high school together - so what are you saying? That all of these people are liars and have some ax to grind? I do not have family members who work in corrections - this is just plain old common sense. You seriously need to rethink your stance on this issue. Corrections is in a world of hurt. This man not only didn't ask for more money for corrections (that's fine), but he GAVE some BACK? And now you don't believe the people who have given him a no confidence vote? Come on!

I didn't even write to you when you cut the DPS budget by 1.2 million dollars, and I DO have a family member who serves this State as a State Trooper. That was bad enough...but this....this is just wrong and believe me, you need to seriously think about rectifying this situation, despite the fact that this jerk is your long time friend. Do the right thing. Practice what you preach, Governor.
