I spoke with Becky last week, she's going to make a fur headband for Sarah from me. This one is taken care of.

Thanks Todd.

Sarah/John/Todd,

I know there's a million people breathing down your necks for just about everything, but I wanted to share these photos of myself and family on the trapline and out in the winter.

This is why the promotion of fur by our first woman govenor is so very important. I have a North Face sleeping bag and backpack, but I wouldn't trade my fur hat or beaver mittens for anything! If I had, I'm sure I would be down a few fingers by now.

I can make a beautiful fox headband that would look gorgeous on Sarah!

(hint, Todd, Christmas...)

Happy Holidays,

Becky Kelleyhouse

ps - photos are from Glennallen area, Klutina Lake and Denali Highway country
