Thanks, Kris.

Maybe this will help a little as we all brainstorm.

The memorial bridge event is in August. So we can quietly sign the actual bill and then do a ceremonial signing later. I talked briefly with Rhonda today and she thought it would work well.

Janice and I proposed a Monday morning (June 2nd) event at Ft Richardson organized by DMVA to sign two bills: fishing license and guard/firefighters. To my knowledge we haven't heard back from the Governor if this will work or not. It is an event DMVA will put together so they'll need a little advance notice.

As for the well baby bill, it is also due on June 4th. Right now, we don't have any events on the calendar that are a natural fit since Sen McGuire wasn't able to make the March of Dimes event. One option is contacting Trevor in McGuire's office to see if he has any new ideas between now and Monday but I doubt the sponsor would want to do the signing outside of Anchorage (her district area).

I will gladly sit down with anyone interested in the Anchorage office tomorrow and look at timing and a calendar. My immediate concern is with the bills which are due Wed., June 4th and then another set Monday, June 9th. The House Bills (we've got all the Senate bills already) transmitted from this day forward will be available to sign after the initial AGIA review during the first week of session, such as the ATIA legislation. My assumption was that it will be difficult for legislators to travel during the first 10 days of special session to bill signing events but after the 10th we should be able to pull several together opportunities in a variety of places.

With input from others, my goal for tomorrow is to build a more comprehensive bill signing plan that incorporates a combination of bills through the month of June.

Enjoy Fairbanks. Kelly

Kelly-

I removed the Governor from this reply as we all try to brainstorm opportunities for her to do some bill sign outside of Anchorage. I've copied Todd.

She has already mentioned the three biggies: memorial bridge, fishing/hunting for troops, and the well baby exams. There could be a possibility to do these over the weekend and/or on Monday. Nenana is a given location. Was there any further discussion with DMVA & ADF&G on the military one?

Are there any in the upcoming bills that would be good to sign on the Peninsula? As I mentioned to you today, Ron Peck mentioned the tourism match bill (not yet transmitted) and doing an event - perhaps in Fairbanks w/the Fairbanks Convention and Visitors Bureau or maybe Valdez.

We'll have to strategize because I know that SS is critical but at the same time, this is her one good opportunity to travel the state. Maybe plotting this out on a calendar when the bills are due, whether a ceremony is recommended and suggested venue?

Let me know what I can do to assist.

Thanks,
Kris

Wanted to do bridge naming bill w Rhonda in Nenana. Others on this list have been discussed for venues that would allow me to travel and do some creative things like the well baby exams. I realluy need to get to Peninsula and Frbnks and elsewhere and some of these bills provide good reasons to do so. I'll let others strategize on these too as I type my speech for tomorrow.

Governor,

After tomorrow, we will have 10 bills to sign by next Wednesday, June 4th. With AGIA being the main focus, I thought it might be a good idea to schedule one-hour on Wednesday morning and possibly a media event at noon in Juneau for bill signing. I have already checked with Janice and your schedule is available as long as you are in Juneau.

DATE: Wednesday, June 4th
TIME: 9am (1 hour)
WHERE: Governor's Office, Juneau
(In-house, no media)

BILLS TO BE SIGNED W/ SPONSORS:

SB 57 Elton Marine
parks additions (Elton has requested a signing at the University but time is too tight)

SB 119 Olson School
library grants

SB 158 Kookesh Shirley Demientieff
memorial bridge

SB 164 McGuire Used motor vehicle
sales

SB 170 McGuire Insurance coverage
for well-baby exams

10/15/2009

SB 211 Davis Aggravating
factor: homeless

SB 214 Huggins Hunting by
military; Coast Guard (unless this is signed in a ceremony on Monday, the 2nd)

HB 268 Stoltze Burning motor
vehicles on public lands

BILLS TO BE SIGNED W/O SPONSORS:

SB 8 Davis Mental
health patients right to pick gender of staff (HSS suggests no ceremony)

SB 101 Ellis
Guardianship & Conservators (already did a ceremonial signing for the bill)

Another alternative would be to pull all/any bills to do with crime and hold one media-related signing ceremony in Juneau - probably the Governor's Conference Room unless Commissioner Monegan has a better idea - relating to crime issues. This ceremony could be sent out as a media advisory etc. If you'd like to do this, we'd need 30+ minutes on the same day, Tuesday, June 4th to sign SB 211 (above), HB 268 (above), SB 265 (Criminal omnibus bill), and perhaps HB 88 (TVs/monitors in vehicles), HB 193 (Police Standards Council), HB 286 (impersonating a public servant), and a few others I'll discuss with DPS.

If you like this as well, we could do this around the lunch hour so legislators could attend and not miss AGIA hearings: Wednesday, June 4th at noon for 30+ minutes.

Please let me know how you would like to proceed.

Thanks, Kelly

PS After this grouping is attended to, the next set of 14 bills will be due by Monday, June 9th; although not all require a signing event.
