Todd - Please see attached request. I have spoken to the Governor on this one and she does not recognize this name. I did not realize the guys going by your house even! If you do not know him - he needs to begin with Lynne Smith (energy, business). Thanks, Janice

MESSAGE:

Sarah Palin,

How does one manage to get a meeting with you?

I last spoke with you during your campaign, and I was also the young inventor present with Edward Peace from UAA that talked with you about alternate energy.

I have written several letters, E-mails, Called numerous times, and even stopped by, but nobody was home. I keep trying, but to no response.

I would like to get a meeting with you, as would Edward Peace, from UAA.

Any Suggestions?

Chris Hunter
