Subject: Telephone Call - Mon., 05.19.08

Todd – I just received a phone call for the Governor. The lady said that she had shook hands with the Governor at the ANC Prayer Breakfast and gave her a business card.

Sara Polanco (from Hispanic Community) – she stated that she needs to talk with the Governor directly – can be a phone call. I explained that I needed a subject matter. Sara stated that it is personal but it has to do with something God asked her to do for the Governor. She needs to pray over the Governor – it can be done through the phone even. Said it was a personal matter.

Contact: Sara Polanco – *Redacted*

I explained that the Governor's schedule for the next two weeks is very tight. She stated that she has prayed and fasted over this and so needs to touch base soon.
