MESSAGE:

I am a recall agent with Dorel Juvenile Group, I also process the car seat registration cards, it was quite a surprise to receive a registration card from the Governor of the Great State of Alaska. Many years ago my uncle left Indiana to work on building the railroad in Alaska, his name was Jesse Beach, his home town was Talkeetna. I will never be able to visit your wonderful state, but you have revived many good memories of stories my uncle used to write. If I can ever be of assistance please let me know with any baby products, please let me know. You can reach me at (812)343-1277 cphone, or my email. Have a great day.
