And, the governor does not ask a persons gender or race to determine whether or not they are qualified to serve—she never makes race an issue. This came up last year too—Rev Greene wanted specific info.

FYI on this attachment. Leg Research requested (for an unknown requestor) the race, location, and gender of all of the Governor's Board, Commission & Task Force appointees since she took office.

I got this to Sharon on how to get this info out prior to the requestor sending out...and on our terms.
