Hannah,

Apologies for not reconnecting with you -- to keep you posted on my communications with the school.

In subsequent emails with Jay Jacobs and the school supt., Jim Smith, there was a new development -- the failing health of Galena elder Sidney Huntington -- the founder of the school and a friend of Tod Palin.

I let Tod know -- and he thought it would be an important time to go.

But as of yesterday all seats were booked on a return flight out of Galena -- so until this morning, when seats on a charter opened up, there were no plans to attend.

We plan on touring facilities as well as the graduation, as part of this trip.

Again, apologies for not keeping you in the loop.

Rhonda

Rhonda –

After talking with Erika and Nikki this morning, I understand that you and Mr. Palin have confirmed that both of you are attending the graduation ceremony for the Galena Interior Learning Academy this Friday, May 16th. I also understand that you have been contacting Mr. Jim Smith in these regards – however, you previously regretted the request from Mr. Jay Jacobs to visit Galena. I want to make sure that he has been informed that you both will be attending the ceremony. Also, will you and Mr. Palin be touring/reviewing the facility and programs per Mr. Jacobs request or just attending the ceremony?

Please let me know as soon as possible if you have contacted Mr. Jacobs and what your agenda will include (and please 'Reply All' so that we are all kept in the loop).

Thank you.
