MESSAGE:

My deepest congratulations on the birth of your baby Trig. We have an 8 year old girl, Tuisku, with Down syndrome. She has a 11 yo brother and 5 yo sister. She is wonderfull and just this morning played with her cello Lightly Row with a classmate playing it on the piano. She is a great sister and we are extremely proud of her. She loves to read and write and do her homework. She sings in a choir and takes cello lessons and loves to swim and have playdates with friends. You will have fun with your new baby and your lives will be fine. I am so glad that a high profile mom like yourself, would welcome a baby with Down syndrome into your family.

Sincerely,

Anu Arsalo
