Subject: Gaming Permit

Todd:

I have been working with Erika on getting the Foundation a gaming permit. I have amended the Articles of Incorporation and the Bylaws. I believe Darla Buck opened a seperate gaming bank account on Friday. I'll have the application ready to be filed tomorrow. The only thing that may hold us up is you have to have 25 members. Counting our current group of 12 we need 13 more. I have one or two people who will join, but I don't think I can come up with 13 so I am hoping Erika has been successful in finding some more people.

Because of the processing time for a new permit of 2 weeks, I suggest we continue trying to move as fast as possible to get our own permit but we could also ask Juneau High School Football team to add us to their permit. If our permit comes through in time, we won't need them, but if we get held up, we can still move forward with the event and raffle.

Let me know what you think.

Randy
