Subject: AIDEA

Hey Todd,

I'm meeting with Tibbles tomorrow and the Governor next week re: AIDEA, PFD, ANGDA, and ASMI.

1) I wanted to check in with you to see if you had any names in mind of any key people with technical experience we need to get plugged in to AIDEA—this is the seat formerly held by Mike Barry.

2) Also, do you have any native corp women leaders in mind for PFD?

3) Any business guys/gals in mind for ANGDA? This is the board Heyworth serves on.

4) And ASMI, it doesn't sound like we are going with [REDACTED]. Cora gives a couple of alternatives—[REDACTED] of [REDACTED] and [REDACTED] of [REDACTED]. The seat has to go to a large processor (annual payroll over 2.5 million).

I know this looks long, but I just need minimal feedback. Yea or Nay or any names you might have.

Hope your picking lots of fish...
