Todd — Is this something that you would want to attend and present the awards. The Governor will be in ANC but will be attending a separate luncheon on March 21. Thanks, Janice

Janice: If you could please let me know if the Governor will be attending this event to present awards during the awards ceremony. Commissioner Bishop will be attending, and we would like to finalize who will be there.

Thanks!

Subject: Gov. Safety Conference

Paula/Becky,

Please forward the attached conference program for this year's Governor's Safety and Health Conference to the Governor's Office. In addition, we respectfully request notification concerning the availability of the Governor, Lt. Governor or Todd Palin to welcome participants and present awards during the luncheon ceremony scheduled on March 21, 2008 from 12:00 to 1:00 pm. We currently have approximately 150 participants registered for the conference and we are expecting up to 250

participants. This would be a great opportunity to address a significant group of Alaskans dedicated to improving workplace safety and health in Alaska.

Thanks for your help.

Grey
