Subject: FW: Former First Ladies Tea

Todd, here's the email. Thanks for the phone call! Erika

Former First Ladies Tea
Saturday, August 2, 2008
Reception 2:00 to 4:00pm.
100 Guests

GUEST LIST

Mr. Palin's Guest List
First Ladies & Guest(s)
Capital City Celebrations Board Members & spouse
Juneau's Top 50 Volunteers
If there's still room, we'd re-visit who to invite and submit that list to you for your approval.

The committee was trying to figure out the best way to invite a diverse group of locals, so they came up with the Top 50 idea.

Juneau's Top 50 Community Volunteers:

Capital City Celebrations would accept nominations, and then select Juneau's Top 50 Volunteers. The Top 50 would be invited to the Tea, and other events throughout the year. Many ideas were discussed, but this seemed like an objective way to choose half of the guests for the tea and honor those who have stepped out as volunteers in the community. It's important to include our youth, so an extra effort will be made to target service organizations and schools, so that guests would also include a young/teen age group.

INVITATIONS

Unless you would like to make the phone call, I would call or email the former First Ladies and give them advance notice of the tea and see if they would be available.

Invitations:

We could send out the invitation from you and the committee; I could send some rough draft ideas for your approval. Let me know if you have any format or wording that you'd like for me to follow?

TRAVEL & LODGING

The Capital City Celebrations committee could look for donations for airline tickets and hotel accommodations. Do you have any thoughts or guidelines for this? If not, I can have them take care of the arrangements and run it by you for final approval.

FUNDRAISING

The only fundraising that's being considered is having the First Spouse' sign a few prints that could later be sold.

MEDIA COVERAGE

The committee is looking to have this covered by the media. If that's okay with you then they will proceed with contacting KTOO and others.

PRE-EVENT

Would you want to have a lunch from about 12:00 to 1:00pm. for only you and the Former 1st Ladies? It would be a great opportunity to visit with them and hear their stories.

We could invite the Capital City Celebrations committee to the lunch as well, or have them come at 1:30pm. (half an hour before the reception), so they have a chance to meet you and the 1st Ladies, before everyone else arrives.

Hi Todd,
I attached this to the email in a word document, might make for easier reading.

Here's what was proposed and came out of the meeting with Cathie Roemmich and the two Capital City Celebrations board members. As the host for this event, you'll have the final say on everything.

I'm sure you're aware that this is all time sensitive as there's a lot of preliminary planning, most importantly contacting the 1<sup>st</sup> Ladies to check on their availability. Please let me know what is acceptable and what changes you'd like to make. We could start from scratch if you had envisioned something totally different then what's listed.

Thanks,  
Erika
