MESSAGE:

Governor,

I just want to say keep up the good work!

Buy the way congratulations on your pregnancy.

Governor, I like the way your decisions are level headed not based on the party line.

If the decisions are yours great, if it is your advisers keep them around.

I like your attitude about your husband Todd.

If he wants to work let him and if he want to go in the Iron Dog let him after all we are in Alaska. I hope Todd is doing better with the arm.

The way I see it with Todd working for BP if it influenced any of your decision it would be more for the negative or at least not influenced by the white wash of their public relations.

The only negative thought I had about you was that you were not in the military, but your son took care of that for you.

With your son in the military you will get the military experience through him.

If he is like everyone else he will keep you informed on what is going on in the military.

My wife and I are agreeing with the decisions you have made so far.

We like that you just use common sense in what you do.

Keep up the good work.

Regards,

Kevin B. Schweisthal
