MESSAGE:

Well Hello Governor,

I have a strange request. Your father taught my husband and I in 6th grade.( Small World ) We Caught him a couple years ago "sniping" down the creek from our mine. That wasn't a concern so much as they had our driveway blocked. After catching up on the years your Dad and Chuck took off.

Your brother, his wife and kids stop in and visit on there way to/ from Manley for the 4th of July each summer. We show them our treasures and they fill us in on you and your Parents.

My problem is I can't find my address book. I've called phone#'s but no reply as of yet. Wondering if you could give me the inside scoop? Chuck had mentioned something about claims he was wanting to work and we would like to ask him a few questions. I know he's teaching but he didn't say where.

Anyway, bet you wish all your problems were this easy to solve. Any information would be great.

I must tell you I'm quite pleased with your work so far as governor, except for Mat Maid, wish the State could have stepped in there.

Thank you, Happy Holidays

Trish & Sam
