Daniel Hahn (332-7022) called and asked if the Governor would like to buy a chocolate lab from him. They will be ready for adoption as of April 15. He said he met the Governor at a gun show and he introduced himself as "cowboy."

Mike Bradner (*Redacted*) called and asked if the Governor would call as Mike and Tim would like to "catch up" with the Governor personally. Mike stated that they know the Governor really well.

Thanks and hoping all is going well in Texas, Janice
